**FOR IMMEDIATE RELEASE**

### **Equiheart Veterinary Services is Ready for Action!**

**CALIFON, NJ, July 10, 2014** – Dr. Christina Wilson, formerly of Califon Animal Hospital, is excited to announce the formation of Equiheart Veterinary Services, LLC. Equiheart is based out of 1 Eisenhower LN in Califon, NJ and is mobile only veterinary practice traveling from farm-to-farm caring for large animals. Starting July 10<sup>th</sup>, Equiheart is operational in Hunterdon County, Warren County, Morris County, and Somerset County.

Equiheart is fully equipped to handle your veterinary needs including: general wellness, dentistry, lameness, pre purchases, emergencies and many other medical issues. Dr. Wilson has a special interest in developing personal relationships with both the horse and owner.

**"I am excited to give all your hooved friends the best care possible in addition to helping you any way I can." - Christina Wilson, DVM**
