

# PRACTICAL EQUINE FIRST AID

with **Christina Wilson, DVM**

Do you know how to take your horse's vital signs?  
Do you ever doubt your instincts when a horse shows signs of colic?  
Do you know how to control active bleeding until the vet gets there?  
The best way to minimize panic and stress is to be prepared – especially in a first aid situation!  
Come learn this and more info at our free Equine First Aid Seminar.
